

Race on some of the greatest circuits in America!

**Daytona**

**Sebring**

**Road Atlanta Petit Le Mans**

*2021 Season*

## In 2021, live a unique experience and race in endurance racing for a weekend or a full season on some of the greatest circuits in America!

ICE DRIVING CANADA is offering to drivers the possibility to participate in both amateur and professional endurance racing series. We offer year round seat rentals in our Audi RS 3 LMS DSG cars either for a single race or a complete season.

Treat yourself on some of the most challenging Indycar, NASCAR, IMSA and Formula One tracks in North America such as Daytona, Sebring, Watkins Glen and Road Atlanta Petit Le Mans !

On board real factory race cars with our fleet of Audi RS 3 LMS DSG, you will take part in 8, 14 and 24 hour races. With 7 hours of seat time per weekend you will be experiencing the immense thrill of endurance racing!

- Join our team of professionals for a unique all-inclusive racing experience!
- On board right seat coaching, data & video and simulator (client simulator)
- Advice for your travel logistics
- Racing school and certification to obtain your racing license
- Driver and racecar insurance coverage
- Ride & Drive events for your VIP and sponsors

Our team of professionals i.e., engineers, mechanics and pro driver/coach will support you throughout the event and help you reach your highest performance level yet in a fun and relax environment.

In preparation for each event, Fridays are used to learn the circuits and to make you feel one with the car. Alongside pro/driver coach and founder of Ice Driving Canada, Jean-Sebastien Sauriol giving you live tips and feedback from the right seat.

Here is an example of a race weekend outlining the total driving time of 7 hours per driver!

- Friday practice with live on board coaching and qualifying (1.5hr per driver)
- Saturday one 8hrs race with three drivers (2.6hrs per driver).
- Saturday one 8hrs race with three drivers (2.6hrs per driver).

## ENDURANCE RACING SERIES
